IN THE MATTER OF THE APPLICATION
OF PARK WATER COMPANY, INC. FOR
APPROVAL OF A RATE INCREASE.

DOCKET NO. W-02353A-10-0242

STAFF'S STATUS REPORT

On June 15, 2010, Park Water Company, Inc. ("Park Water" or "Company") filed with the Arizona Corporation Commission ("Commission") an application for a permanent rate increase.

On October 20, 2010, the Company filed a request for waiver of the time clock so that the Company could complete certain plant and file an amended application to include that plant in rate base. At a procedural conference on November 8, 2010, the Company indicated that it would be able to file its amended application within a week.

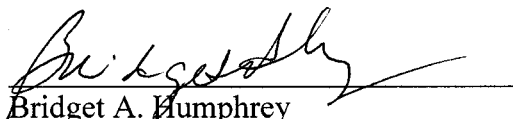

A procedural order issued November 9, 2010, ordered Commission Utilities Division ("Staff") to file a status report on its review of the Company's amended application by December 10, 2010. Staff now makes this filing pursuant to that order.

The Company filed its amended application on December 6, 2010 and supplemented it on December 9, 2010. However, the Company failed to include all of the supporting documentation (invoices) for the new plant put into service. Staff has reviewed the amended application and supplemental filing and finds that they are sufficient, except for the missing invoices.

Staff recommends that the staff report on the amended application be filed 60 days after Staff receives all of the missing invoices.
